Agenda 2 Acknowledgement of the business operation for 2013 and the report of the Board of Directors

Mr. Narong Srisa-an invited Mr. Thapana Sirivadhanabhakdi, President and CEO, to report the business operation for 2013 and the report of Board of Directors.

Mr. Thapana, as the representative of the Board of Directors, reported the performance of the Company for the year 2013 and the report of the Board of Directors as follows:

2013 was another challenging year for Thai Beverage Public Company Limited (“**ThaiBev**”) as the business was affected by an increase in excise tax rates, heightened competition in the non-alcoholic beverage segment, and the precarious political situation at the end of the year. Nevertheless, being a resilient company, ThaiBev was able to generate a total revenue of Baht 155,771 million during the year, a slight decrease of only 3.3 percent from 2012.

Despite the slowdown in sales, the Company remained the leader in the spirits market in Thailand, and widened beverage production and distribution network to the regional level through the investment in Fraser and Neave, Limited (“**F&N**”), as well as further diversified the product portfolio as a total beverage company. Hence, the Company has boasted a wide variety of products ranging from Thai spirits, Chinese spirits, Scotch whiskies, and beer, to drinking water, ready-to-drink green tea, carbonated soft drinks, electrolyte beverages, dairy products, and soya milk.

Despite the excise tax hike which impacted net sale price, the spirits business of the Company achieved a total sales growth of 7.3 percent from the previous year, and net profit rose 3.2 percent year-on-year. This was attributable to the products’ strong brand equity and the sales team dedication. In addition, the Company also enlarged the portfolio of premium spirits with the launch of “Blend 285 Signature”, which offers a uniquely appealing taste, and comes in elegantly designed bottles with classy labels comparable with that of eminent international brands. These initiatives were part of the Company’s thrust to develop high-quality products for sale at reasonable prices, so as to capture the higher end of the market. The pricing strategy also resulted in favorable outcomes for ThaiBev beer business, which achieved positive earnings before interest, tax, depreciation, and amortization (EBITDA), and reported a smaller net loss.

Notwithstanding the intensified competitive environment, the Company was able to maintain the market share in the non-alcoholic beverage segment, and continued to focus on raising consumer awareness of ThaiBev quality products through marketing activities. Furthermore, the Company began distributing Oishi green tea in neighboring countries, such as Myanmar and Malaysia, expanding reach beyond existing markets such as Laos and Cambodia where ThaiBev already have strong presence. To expedite the growth of young carbonated soft drink brand “est”, the Company also embarked on a drive to enhance the brand’s international image by sponsoring Manchester City Football Club. This sponsorship also aims to rapidly increase the brand’s visibility among target consumers, especially within ASEAN markets.

Regarding the food business, Oishi Group placed great emphasis on expanding its network of food outlets, particularly in large cities in Thailand where there has been an increase in purchasing power. In addition, Oishi diversified beyond the buffet restaurant sector, opening other types of restaurants and launching new food products for sale at retail stores across the country. These include refrigerated food, frozen food, and Japanese snacks. The launches put the Company in good stead to capitalize on the continuously growing popularity of Japanese food in Thailand.

Moreover, in relation to the business expansion plan in ASEAN markets, one of the strategic approaches of the Company is to collaborate with F&N, the business alliance, in order to learn and share experiences as well as expertise in beverage business in contribution to enhancing comprehensive product portfolio of both companies, including extending the market base to Halal consumers by utilizing Halal food production base in Malaysia for purpose of distributing products of the Group in the region.

In addition to the vision regarding business expansion, ThaiBev also realizes the importance of human resources which have always been one of the Company's key success factors. The Company carried on implementing "ThaiBev Core Values" Project, and announced the campaign of "2013 Year of Greater Efficiency". In this regard, ThaiBev encouraged employees in each function to submit their work initiatives under "The Greater Efficiency Contest 2013" Project in order to present how to enhance their work efficiency. This project provided the platform for employees to showcase their knowledge and competency in extending practical concepts and exploring innovations so as to promote efficiency and effectiveness of their responsible business units.

Mr. Thapana would like to take this opportunity to thank the shareholders and business partners for the trust they always place in the Company, as well as thank the directors, executives, and all employees for their determination and dedication to every mission over the past year. He truly hopes that the Company would receive their continuous support and encouragement in order to jointly drive the business prosperity through good corporate governance and corporate social responsibilities in the years ahead.

SCHEDULE 1 TO THE APPENDIX

General Mandate for Interested Person Transactions

We anticipate that we would, in the ordinary course of business, continue to enter into certain transactions with our interested persons, including but not limited to those categories of transactions described below. In view of the time-sensitive nature of commercial transactions, it would be advantageous for us to obtain a shareholders' mandate to enter into certain Interested Person Transactions in our ordinary course of business, provided that all such transactions are carried out on normal commercial terms and are not prejudicial to the interests of our Company and our minority Shareholders.

Chapter 9 of the Listing Manual allows a listed company to obtain a mandate from its shareholders for recurrent interested person transactions which are of a revenue or trading nature or for those necessary for its day-to-day operations. These transactions may not include the purchase or sale of assets, undertakings or businesses which are not part of our day-to-day operations.

Pursuant to Rule 920(1) of the Listing Manual, a general mandate is subject to annual renewal. The information required by Rule 920(1)(b) is as follows:

- (a) the class of interested persons with which the entity at risk (as defined in Rule 904(2) of the Listing Manual) will be transacting;
- (b) the nature of the transactions contemplated under the mandate;
- (c) the rationale for and benefit to the entity at risk;
- (d) the methods or procedures for determining transaction prices;
- (e) the independent financial adviser's opinion on whether the methods or procedures in (d) above are sufficient to ensure that the transactions will be carried out on normal commercial terms and will not be prejudicial to the interests of our Company and our minority Shareholders (where applicable);
- (f) an opinion from our Audit Committee if it takes a different view to the independent financial adviser (where applicable);
- (g) a statement from us that we will obtain a new mandate from our Shareholders if the methods or procedures in (d) above become inappropriate; and
- (h) a statement that the interested person will abstain, and has undertaken to ensure that its associates will abstain, from voting on the resolution approving the transaction.

The Shareholders' Mandate, if renewed, will be effective until the next annual general meeting.

For the purposes of the Shareholders' Mandate, the definitions of words and expressions in the Appendix to which this Shareholders' Mandate is a Schedule shall apply, save as otherwise set out below:

- "Group" means our Company, its subsidiaries and associated companies which are considered "entities at risk" within the meaning of Rule 904(2) of the Listing Manual; and
- "THBEV Group" means our Company and its subsidiaries.

Classes of Mandated Interested Persons

The Shareholders' Mandate will apply to our Group's transactions with associates of our controlling shareholders Mr. Charoen Sirivadhanabhakdi and Khunying Wanna Sirivadhanabhakdi (such controlling shareholders' associates collectively referred to as the "**Mandated Interested Persons**" and each a "**Mandated Interested Person**").

Transactions with Mandated Interested Persons which do not fall within the ambit of the Shareholders' Mandate shall be subject to the relevant provisions of Chapter 9 of the Listing Manual.

Mandated Transactions

The transactions with Mandated Interested Persons which will be covered by the Shareholders' Mandate ("**Mandated Transactions**") relating to the provision to, or obtaining from, Mandated Interested Persons of products and services in the ordinary course of business of our Group or which are necessary for the day-to-day operations of our Group (but not in respect of the purchase or sale of assets, undertakings or businesses which are not part of our day-to-day operations) are as follows:

- (a) purchases from Mandated Interested Persons of raw materials and packaging materials including new and used glass bottles, aluminium cans, molasses, herbs for the production of beer concentrate, cartons and caps;
- (b) obtaining from Mandated Interested Persons of insurance and insurance-related services;
- (c) purchases from Mandated Interested Persons of all kinds of consumer products, office and storage supplies including tissue paper and sugar for office use, scrap steel, malt bags and wooden pallets;
- (d) obtaining from Mandated Interested Persons of services, including procurement services, services relating to provision of accommodation, vehicles and facilities for the directors of the Company and/or subsidiaries, staff training, telecommunications and software licensing, marketing and advertising and management services and services for the manufacturing and distributorship of products;
- (e) obtaining from Mandated Interested Persons of leases or subleases of office space, warehouses, passenger cars and land;
- (f) provision to Mandated Interested Persons of services including procurement services, property improvement services, advertising and sales services and manufacturing services;
- (g) lease or sub-lease to Mandated Interested Persons of office space, warehouses, passenger cars and land;
- (h) sale to Mandated Interested Persons of molasses and by-products including fertilizer, used bottles, and factory remnants such as aluminium and glass remnants and scrap paper;
- (i) sale to Mandated Interested Persons of our beer, spirits, water, soda and other products; and
- (j) provision or the obtaining of such other products and/or services which are incidental to or in connection with the provision or obtaining of products and/or services in sub-paragraphs (a) to (i) above.

Rationale for and the Benefits of the Shareholders' Mandate

The transactions with the Mandated Interested Persons are entered into or to be entered into by our Group in its ordinary course of business. They are recurring transactions that are likely to occur with some degree of frequency and arise at any time and from time to time. Our Directors are of the view that it will be beneficial to our Group to transact or continue to transact with the Mandated Interested Persons.

Our Directors believe that our Group will be able to benefit from its transactions with the Mandated Interested Persons. The Shareholders' Mandate and the renewal of the Shareholders' Mandate on an annual basis will eliminate the need to convene separate general meetings from time to time to seek Shareholders' approval as and when potential Interested Person Transactions with the Mandated Interested Persons arise, thereby reducing substantially the administrative time and expenses in convening general meetings, without compromising the corporate objectives or adversely affecting the business opportunities available to us.

The Shareholders' Mandate is intended to facilitate transactions in our ordinary course of business which are transacted from time to time with the Mandated Interested Persons, provided that they are carried out on normal commercial terms and are not prejudicial to the interests of our Company and our minority Shareholders.

Disclosure will be made in the format required by the Listing Manual, and to the extent required by the SGX-ST, of the aggregate value of Interested Person Transactions conducted pursuant to the Shareholders' Mandate during the current financial year in the annual report for the current financial year.

Review Procedures for Interested Person Transactions

Our Audit Committee has oversight of all Interested Person Transactions undertaken by our Group including, the review and where required, approval of such transactions. For this purpose, our Board of Directors has appointed Mr. Ng Tat Pun, an independent non-executive Director and member of the Audit Committee, to lead the Audit Committee in its role in respect of Interested Person Transactions undertaken by our Group (the "**Lead Independent Director for IPTs**"). We have also established the following procedures to ensure that the Interested Person Transactions are undertaken on an arm's length basis and on normal commercial terms.

Review Procedures and Threshold Limits

In general, there are procedures established by our Group to ensure that Interested Person Transactions, including the Mandated Transactions with the Mandated Interested Persons, are undertaken on an arm's length basis and on normal commercial terms consistent with our Group's usual business practices and policies, and on terms which are generally no more favorable to the interested persons than those extended to or obtained from unrelated third parties.

In particular, the following review procedures have been implemented:

(1) Procurement and purchase of goods and obtaining services

- (a) All procurement and purchases made by our Group of a recurring nature which are in the ordinary course of business of our Group or which are necessary for the day-to-day operations of our Group, including procurement and purchases which are Mandated Transactions with Mandated Interested Persons (such as the transactions referred to in paragraphs (a), (b), (c), (d) and (j) above under "General Mandate for Interested Person Transactions – Mandated Transactions") will be governed by internal control procedures, which detail matters such as the constitution of internal approving authorities, their approval limits, the number of vendors (minimum of two) who provide us quotes, and the review procedures. The guiding principle is to objectively obtain the best goods and/or services on the best terms through competitive quotations, if appropriate. In determining whether the price and terms offered by interested persons are fair and reasonable, factors such as, but not limited to, delivery schedules, specification compliance, track record, experience and expertise, preferential rates, discounts

or rebates offered for bulk purchases, will be taken into consideration. In addition, each Interested Person Transaction entered into by our Group will be monitored as an individual transaction and based on the value of the transaction, will require the prior approval of the corresponding approving authority who is a Director or management employee of the Group (not being an interested person or his associate) and who does not have any interests, whether direct or indirect, in relation to the transactions (the “**Relevant Approving Authority**”) as follows:

Approval Limits	Relevant Approving Authority
Interested Person Transaction not exceeding Baht 500,000 in value	A deputy managing director or officer of equivalent rank
Interested Person Transaction above Baht 500,000 but not exceeding Baht 5 million in value	A managing director or officer of equivalent rank
Interested Person Transaction above Baht 5 million but not exceeding Baht 10 million in value	A vice-chairman or officer of equivalent rank
Interested Person Transaction above Baht 10 million but not exceeding Baht 20 million in value	A chairman
Interested Person Transaction above Baht 20 million but not exceeding 3% of the latest audited net tangible assets of the THBEV Group in value	Any two vice-chairmen and/or chairmen or officers of equivalent rank
Interested Person Transaction above 3% of the latest audited net tangible assets of the THBEV Group in value	Any two Audit Committee members, one of whom must be the Lead Independent Director for IPTs

In relation to paragraph (j) above under “General Mandate for Interested Person Transactions – Mandated Transactions”, the Relevant Approving Authority (as determined by the value of the transaction) will also assess and approve that the proposed transaction is one which is incidental to or in connection with the provision or obtaining of products and/or services in sub-paragraphs (a), (b), (c) and (d) above under “General Mandate for Interested Person Transactions – Mandated Transactions.”

- (b) In the event that we cannot obtain competitive quotations (for instance, if there are no unrelated third party vendors of similar products and services (taking into account quantum, specifications and delivery schedules among others), or if the product is proprietary in nature), based on the value of the proposed Interested Person Transaction, the corresponding Relevant Approving Authority as set out above (not being an interested person or his associate) and who does not have any interests, direct or indirect, in relation to the transaction, will determine whether the price and terms offered by the interested person are fair and reasonable.
- (c) Purchases under the prevailing terms of the Glass Bottle Purchase Agreement dated December 27, 2012 entered into between Thai Beverage Recycle Co., Ltd. (formerly known as Bang-Na Logistic Co., Ltd.), Berli Jucker Public Company Limited and Thai Malaya Glass Co., Ltd. (the “**Glass Bottle Purchase Agreement**”) will be covered under the Shareholders’ Mandate, provided that any amendment to the material provisions of the Glass Bottle Purchase Agreement, including any adjustment authorized by the agreement to the purchase price for glass bottles pursuant to and any renewal or extension of tenure of the Glass Bottle Purchase Agreement, requires the approval of our Board of Directors and the Audit Committee.

(2) *Other Interested Person Transactions of a recurring nature*

- (a) We intend to conduct other Interested Person Transactions not covered by paragraph (1) above which are of a recurring nature and that occur in the ordinary course of business of our Group. These transactions are necessary for the day-to-day operations of our Group and include the sale of products and provisions of services to interested persons and lease or sub-lease of property to or from interested persons and the Mandated Transactions with Mandated Interested Persons referred to in paragraphs (e), (f), (g), (h), (i) and (j) under “General Mandate for Interested Person Transactions – Mandated Transactions” above. We intend to conduct these transactions at the prevailing market rates or prices of the product or service to be provided, and at prevailing market rentals for leases and sub-leases of property, on terms no more favorable to the interested person than the usual commercial terms extended to or, where applicable, by unrelated third parties (including, where applicable, preferential rates, discounts to favored customers or for bulk purchases) or otherwise in accordance with applicable industry norms, provided that:
- (i) in relation to the sale of products and provision of services which are not contemporaneously in time as the proposed Interested Person Transaction being sold or provided to an unrelated third party, quotes from at least two other suppliers who are unrelated third parties not being the relevant interested person or his associates of similar products or services will be obtained; and
- (ii) in relation to the lease or sub-lease of property, we are required to obtain enquiries with at least two landlords and/or tenants who are unrelated third parties not being the relevant interested person or his associates of similarly sized and located properties put to similar use.

In addition, each Interested Person Transaction entered into by our Group will be monitored as an individual transaction and based on the value of the transaction, will require the prior approval of the corresponding Relevant Approving Authority who is a Director or management employee of the Group (not being an interested person or his associate) and who does not have any interests, whether direct or indirect, in relation to the transactions as follows:

Approval Limits	Relevant Approving Authority
Interested Person Transaction not exceeding Baht 200,000 in value	A deputy managing director or officer of equivalent rank
Interested Person Transaction above Baht 200,000 but not exceeding Baht 500,000 in value	A managing director or officer of equivalent rank
Interested Person Transaction above Baht 500,000 but not exceeding Baht 5 million in value	A vice chairman or officer of equivalent rank
Interested Person Transaction above Baht 5 million but not exceeding 3% of the latest audited net tangible assets of the THBEV Group in value	A chairman
Interested Person Transaction above 3% of the latest audited net tangible assets of the THBEV Group in value	Any two Audit Committee members, one of whom must be the Lead Independent Director for IPTs

In relation to paragraph (j) above under “General Mandate for Interested Person Transactions – Mandated Transactions”, the Relevant Approving Authority (as determined by the value of the transaction) will also assess and approve that the proposed transaction is one which is incidental to or in connection with the provision or obtaining of products and/or services in sub-paragraphs (e), (f), (g), (h) and (i) above under “General Mandate for Interested Person Transactions – Mandated Transactions”.

- (b) Where the prevailing market rates or prices are not available, whether due to the nature of products to be sold or services to be provided, the unavailability or impracticality of obtaining quotes from third party sources or otherwise, our Group's pricing for these products and services will be determined in accordance with the Group's usual business practices and pricing policies, consistent with the usual margin our Group will obtain for the same or substantially similar type of transaction with unrelated third parties. In determining the transaction price payable by Mandated Interested Persons for these products or services, factors such as, but not limited to, quantity, volume, consumption, customer requirements, specifications, duration of contract and strategic purposes of the transaction will be taken into account. In relation to leases and sub-leases of property, where prevailing market rentals are not available, whether due to the unavailability or impracticality of obtaining rental comparisons or otherwise, rental will be determined according to the Group's usual business practices and policies. In addition, based on the value of the proposed Interested Person Transaction, the corresponding Relevant Approving Authority as set out in paragraph (a) above (not being an interested person or his associate) and who does not have any interests, direct or indirect, in relation to the transaction, will determine whether the price and terms offered by the interested person are fair and reasonable.

(3) *Non-recurring Interested Person Transactions*

We may from time to time also conduct Interested Person Transactions not covered by paragraphs (1) and (2) above and which do not form part of the Shareholders' Mandate. These transactions are not of a recurring nature or occur outside the ordinary course of business of our Group or which may not be necessary for the day-to-day operations of our Group and include the purchase or sale of assets, undertakings or businesses which are not part of our day-to-day operations. We intend to conduct such transactions in accordance with the Listing Manual, including the threshold, approval and other requirements under Rules 905 and 906 of the Listing Manual. In addition, we will monitor each transaction on an individual basis, and each transaction will require the prior approval of the corresponding Relevant Approving Authority below who is a Director or management employee of the Group (not being an interested person or his associate) and who does not have any interests, whether direct or indirect, in relation to the transaction. The Relevant Approving Authority will also review the transaction to ensure that it is carried out on normal commercial terms and not prejudicial to the interests of our Company and minority Shareholders:

Approval Limits	Relevant Approving Authority
Interested Person Transaction not exceeding Baht 200,000 in value	A deputy managing director or officer of equivalent rank
Interested Person Transaction above Baht 200,000 but not exceeding Baht 500,000 in value	A managing director or officer of equivalent rank
Interested Person Transaction above Baht 500,000 but not exceeding Baht 5 million in value	A vice chairman or officer of equivalent rank
Interested Person Transaction above Baht 5 million but not exceeding 3% of the latest audited net tangible assets of the THBEV Group in value	A chairman
Interested Person Transaction above 3% of the latest audited net tangible assets of the THBEV Group in value	Any two Audit Committee members, one of whom must be the Lead Independent Director for IPTs

In the event that these Interested Person Transactions require the approval of our Shareholders, additional information may be required to be presented to Shareholders and an independent financial adviser may be appointed for an opinion.

Other Review Procedures

Our Audit Committee led by the Lead Independent Director for IPTs will also review all Interested Person Transactions, including Mandated Transactions to ensure that the prevailing rules and regulations of the SGX-ST (in particular, Chapter 9 of the Listing Manual) are complied with.

Our Group has also implemented the following procedures for the identification of Interested Person Transactions (including Mandated Transactions) and interested persons (including Mandated Interested Persons) and the recording of all our Interested Person Transactions:

- (a) our Group Chief Financial Officer will maintain a register of all transactions carried out with interested persons, including the Mandated Interested Persons (and the basis, including the quotations obtained to support such basis, on which these transactions are entered into), whether mandated or non-mandated; and
- (b) on a quarterly basis, our Group Chief Financial Officer will submit a report to our Audit Committee of all recorded Interested Person Transactions, and the basis of all recorded Interested Person Transactions, entered into by our Group. Our Company's annual internal audit plan will incorporate a review of all Interested Person Transactions, including the established review procedures for the monitoring of the Interested Person Transactions including Mandated Transactions, entered into or existing Interested Person Transactions that are renewed or revised during the current financial year, pursuant to the Shareholders' Mandate.

In addition, our Audit Committee led by the Lead Independent Director for IPTs will review, on a quarterly basis, internal controls and review procedures for Interested Person Transactions to determine if they are adequate and/or commercially practicable in ensuring that the transactions between our Group and interested persons are conducted on normal commercial terms and are not prejudicial to the interests of our Company and our minority Shareholders. In conjunction with this review, our Audit Committee will also ascertain whether we have complied with the established review procedures. Further, if during these periodic reviews by our Audit Committee, our Audit Committee is of the view that the internal controls and review procedures for Interested Person Transactions are inappropriate or not sufficient to ensure that the Interested Person Transactions will be on normal commercial terms and not prejudicial to the interests of our Company and our minority Shareholders, our Audit Committee will (pursuant to Rule 920(1)(b)(iv) and (vii) of the Listing Manual) revert to our Shareholders for a new Shareholders' Mandate based on new internal controls and review procedures for transactions with the Mandated Interested Persons. During the period prior to obtaining a new mandate from Shareholders, all transactions with interested persons will be subject to prior review and approval by the Audit Committee.

For the purposes of the above review of the internal controls and review procedures, any member of our Audit Committee who is not considered independent will abstain from participating in the Audit Committee's review of the internal controls and review procedures.

Our Audit Committee will have overall responsibility for determining the review procedures with the authority to delegate to individuals or committees within our Group as they deem appropriate.
